1. Introduction

- 1.1. These Terms & Conditions set out the terms on which 'Mazars Financial Planning Ltd' (MFP) will provide their Wealth Management Service (WMS) to you. They will come into force when we receive from you a duly signed copy of our Engagement Letter for our WMS, or, if later, when the assets are available to us for the purpose of the engagement. This should be read in conjunction with our General Terms and Conditions of Business, the Mazars WMS brochure and other documents provided to you. Definitions used in this document are set out in clause 11.
- 1.2. These Terms and Conditions of Business (as amended from time to time) shall apply to all Engagements under the Mazars WMS.

 - 8.1.4. some investments may be subject to sudden and large falls in value and you could get nothing back at all.
 - 8.1.5. the managers of the investment funds that underlie the portfolio generally reserve the right to temporarily cease redemptions or in some circumstances to apply penalties or adjustments. In some circumstances the cessation of redemptions may be for an extended period of time. This may adversely impact on the risk level of and returns from your portfolio.
 - 8.1.6. The law regarding investments may be subject to change and you should be aware that circumstances and benefits may change due to governmental practice and policy.

8.2. Where you agree that we can automatically transfer monies from your General Investment Account to your Individual Savings Account (ISA) this service is provided in perpetuity unless you inform us otherwise, it is incumbent on you to inform us if this service is to stop or if you wish to make ISA contributions outside of the service. We will not be held responsible for you over subscribing into ISAs if you do not keep us informed.

9. Custody and Custodian

- 9.1. The assets held in the Portfolio (including any un-invested cash) are normally held on an Investment Platform by a Custodian. Where assets are held by a Custodian, MFP will not be responsible for the Custodian or safe custody matters and will not be liable for any act or omission of the Custodian.
- 9.2. MFP shall not hold the Portfolio or be entitled to call for delivery of the Portfolio to itself and accordingly, MFP will not hold money on behalf of the Portfolio or be the registered holder of any of the Portfolio's investments.
